48 in STRAIGHT flail mower, 3-point PTO, purchased used Facebook Marketplace. Used for MECHANICAL WEED CONTROL and to cut and compost crop residue in place, eliminating a tillage pass on highly erodible cropland. Matches Pasa's own worked example of a fundable under-\$10,000 general item.	1	\$2,000.00	\$2,000.00

Products named are examples OR SIMILAR. Brand names, model numbers and retailers are given to document a realistic price and specification only. Tiny Seed Farm reserves the right to purchase an equivalent item of similar specification from any supplier, including used equipment, at or below the budgeted amount.

Prices were read from live retail listings on October 2, 2026. Where an item is marked as an allowance, a quote has not yet been obtained and the figure is an estimate. Pasa's Budget Builder accepts "a screenshot of a store's price for items" as documentation of cost; this schedule lists the same information in consolidated form, with the retailer and product identifiers named for each line.
